Hand painted linocut
Edition of 30
6.5 x 5 inches \$125.

Own a piece of art from a children's book. Choose from raven images in *Ten Rowdy Ravens*, underwater imagery in *Little Red Snapperhood*, *Whalemail*, and the Animal Portrait series in *Lucky Hares*. Evon's books work as catalogs for these linocut editions. Evon's linocuts are artist pulled originals. You are not buying reproductions. She carves her imagery into blocks and prints them individually onto 100% rag paper using a hand cranked etching press in her workshop. She hand paints many of the images. Visit Evon's electronic galleries at www.evonzerbetz.com to view other linocut collections. Price lists are available on request <- This list shows 48 titles still available in linocut edition from the images pictured in Evon's card and book catalog #71.
